Subject: SC Lifeline Filing

Please note, I am writing to request an extension for SC Lifeline Inc. We would like to be able to file our annual ETC report no later than July 10, 2013. It will either be hand delivered on this day or mailed prior. This is our first time filing and we are still working through the required information with our Accounting Department and CFO and do not want to jeopardize our ETC certification.

I appreciate your understanding on this first time filing. Please let me know if there is any further information or documentation required to file this extension.

Thank you,
Carol Bausinger
